Strong, Forceful Men With Plenty of Iron In Their Blood-

These Are the Ones With the Power and Energy to Win.

"Many a capable man or woman falls just short of winning because they don't back up their mentality with the physical strength and energy which come from having plenty of Iron in the blood," says Dr. James Francis Sullian, formerly physician of Believue Hospital (Outdoor Dept.), New

York, and the Westchester County-Hospital. "Lack of iron in the blood Nork and the Westehester County-Hospital. Lack of from in the blood not only makes a man a physical and mental weakling, nervous, irritable, easily fatigued, but it atterly robs him of that virile force, that stamina and strength of will which are so necessary to success and power in every walk of life. It may also transform a beautiful, sweetempered woman into one who is cross, nervous and irritable. To help make strong, keen, red-blooded Americans there is nothing in my experience which I have found so valuable as organic from-Nuxated from It often increases the strength and endurance of weak, nervous, run-down people in two weeks time." Nuxsted from is now being used by

nown people in two weeks time. Number from is now being used by over three million people annually and it has been used and indorsed by such men as Hon. Leslie M. Shaw, former Secretary of the Treasury, and ex-Governor of Lowa; former United States Senator and Vice-Presidential Nominee Charles A. Towne; U.S. Commissioner of Immigration Hon. Anthony Commetti; also United States Judge G. W. At tinsen, of the Court of Claims of Washington, and others.

Explaining the detailed plans, the count sald to the Associated Press:

"The essentials of the plan are, first, compulsory arbitration without limitation or exception. This leaves out the deax of the or exception of questions involving national honer and dignity. Second, limitation of armaments. Third, the establishment of a council of administration of the nations for the formulation of the nations for the formulation of manclions for making effective the decisions of the esciety of nations. Sanction is a diplomatic expression meaning the various steps for enforcing compliance. They are four-fold:

"First, diplomatic sanction—the society of nations shall break diplomatic relations with any recalicitrant nation and give his passports to the ambassador or minister representing that nation.

"Second, juridical sanction, whereby
